

Attendee Justification Letter for Approval to Register for Cardiac Arrest Survival Summit 2019

Dear _____,

I would like to register to attend the **Cardiac Arrest Survival Summit 2019** (formerly known as ECCU) - an international, educational summit devoted to providing Guidelines updates and sharing the latest science, educational tactics and system implementation strategies that can help you improve your community's survival rates from SCA.

The Summit will take place December 10 – 13, 2019 (Pre-conference Workshops December 9-10) in Seattle, WA. The robust program focuses on the conference theme, "Inform - Motivate - Activate. Improving Survival in our Global Community". Here is a link to the full program <https://citizencpr.org/summit/> for an in-depth look at the conference.

Featured speakers at the Summit include experts involved in AHA, ARC and ILCOR guidelines updates. Learn about clinical solutions and best practices related to our field, plus the latest research and science informing the future of Basic Life Support and Advanced Cardiac Life Support for neonatal, pediatric and adult patients, as well as first aid.

The Summit offers more than 80 educational sessions including:

- American Heart Association Hot Topics in Science: Survivorship, Opioids, T-CPR, Ethical Debates in Resuscitation
- Global Resuscitation Alliance - Saving More Lives Together – Interact with leaders and learn about the vision for increasing survival from cardiac arrest by 50%
- American Heart Association Focused Updates, and meet the experts from the AHA CPR Guidelines Updates
- 2019 First Aid Guidelines Update
- Post-Arrest Targeted Temperature Management: New Insights into Implementation
- Achieving High Reliability in Hospital-based Cardiovascular Emergencies and Resuscitation Programs with Robust Process Improvement
- Cardiac Arrest Pharmacology: Do Drugs Really Work?
- Global Resuscitation Alliance - Telecommunicator CPR
- Disparities in Cardiac Arrest, Resuscitation and Outcomes
- Advances in Pediatric Resuscitation
- Global Resuscitation Alliance - High Performance CPR
- Designing Improved and More Effective CPR and Resuscitation Education
- Maternal Cardiac Arrest: Modifications to BLS and ACLS
- The Current State of Dispatcher-Directed CPR/AED Use: Quantifying Evidence for Improving Emergency Medical Dispatch Practice
- Strengthening Cardiac Emergency Response Plans in Schools and Communities
- Citizen CPR Foundation's launch of the HEARTSafe Community™ program
- Stop the Bleed: Battlefield Lessons to a National Campaign
- Tools for Teaching Cardiac Arrest Management
- Transforming the Public's Perception to Create a Culture of Action
- And more!

Pre-conference workshops include:

- Resuscitation Officer Certificate Program
- High Performance CPR: Train the Trainer by the RA Academy

- Resuscitation Academy Alumni Workshop
- American Heart Association: ACLS EP Instructor Course
- TTM Academy: A Post-Arrest Care Boot camp
- ARC: New Resuscitation Suite, Opioid & Severe Bleeding Education - Enhance and Expand Your Education
- The EAGLES: Better Ensuring the Chain of Recovery with Best EMS Practices

The Summit is designed for nurses, EMS providers and program managers, CPR and ECC educators, physicians and researchers. I will also earn continuing education credits for all pre-conference workshops, plenary sessions, and concurrent sessions I attend through the Center for Healthcare education.

It offers an outstanding blend of education, innovations, science, practice, advocacy and inspiration for everyone involved in saving a life from sudden cardiac arrest.

After learning the science and practice of emergency cardiovascular care from experts in the field, I will be able to share this knowledge with my colleagues and the community.

I am requesting funding for:
