

Citizen CPR Foundation Virtual Summit 2020: Putting Science Into Action

December 8 & 9, 2020

The Virtual Summit will bring together experts and thought leaders in the field of resuscitation for two days of sessions including review and discussion of the science behind the updated guidelines, implementation of the guidelines, best educational practices and the business of training centers.

Certified instructors, first responders, training managers, program leaders, entrepreneurs, hospital staff and more will have the opportunity to address the implications of the latest resuscitation guidelines updates, learn best practices for running their business, and enhance their instructional expertise.

The Attendee Experience

The virtual event is presented through a **robust online platform** that offers many elements found at live convenings
