How to Claim your CE Credits

Open the Summit app (log in if you have not yet done so).

Click the red **CONTINUING EDUCATION SURVEYS** button on the home page of the app.

Click the link associated with each of the three tasks on the home page to complete the tasks. When the task is complete, the red X will be replaced by a green check mark.

1. Complete this form - this task asks for your professional information.
2. Select Sessions and Complete Evaluation – search for and select the session for which you are seeking credit then click START EVALUATION. Complete this for each session for which you are seeking credit.
3. Download and Print Certificate – use this task to download, print or email your certificate. If you select email, it will be sent to the email associated with your account. Be sure to check your spam folder if you do not see it in your inbox.

Continuing Education Accreditation

The program is approved by Center for Healthcare Education, Inc. for continuing education credit for EMTs, Paramedics, Nurses, and Dental Professionals. Center for Healthcare Education, Inc. is a nationally recognized provider of quality continuing education courses. The content of each session and the qualifications of each speaker have been approved by a panel of medical experts to ensure participants receive up-to-date information relevant to the practice of emergency medicine and pre-hospital care. Hour for hour continuing education credit for successful completion is awarded according to national regulatory agency requirements. International participants will receive an official certificate upon completion that meets and exceeds continuing education requirements established by United States EMS, Dental, and Nursing certification boards. Accreditation is provided for Nurses (CEP# 11246), EMT/Paramedics (CAEMSA# 33-0011), and Dental professionals (#RP5122) through the Center for Healthcare Education, Inc.
